Forecast for Monday 14 Dec 2020

Weather: Occasional rain showers overnight, some heavy. Further showers in the morning, heavy at first these turning wintry above 1100m. The afternoon will see fewer showers, becoming lighter and more scattered though those that remain slowly turning more wintry down to 900m. Any sunny or clear intervals at a premium, more likely over the Ochils and sheltered lower slopes further north .

Chance of cloud free mountain/hill tops above 800m: 30% with higher summits liable to remain shrouded and any clearances down at 800m.

Visibility: Moderate or good, occasionally poor in the morning.
